-----  
**FAX MESSAGE**

**Subject: FSP Group Inc. Contract No. 188668, Models FSP200-50PLXX. Updating report 1378218 as below:**

- 1) Adding -5V(optional)/0.1A to approval model FSP200-50PLXX
- 2) Adding new model FSP200-40AT, ACE-916A.
- 3) Revised main schematics

This is to confirm that subject models of the subject power supplies with the test results and description have been reviewed and found to be acceptable. We will proceed with the report to cover the subject models and the official report will be issued as soon as the attachments (photos, schematic and specifications) of the report are received.

Should you have any questions, please kindly let me know.

YOURS TRULY,

ANTHONY YEUNG P. ENG.
